## St. Ita's Walk

St. Ita's walk is an easy walk along country lanes taking in great views of the river suir and the sounding countryside and includes the historic St. Ita's well and the ruins of the old Faithlegg church which dates from the 13th century.

## Minaun Walk

The Minaun hill overlooks the 'Three Sisters', otherwise known as the rivers Suir, Nore and Barrow. Superb views of Waterford City are visible to the west with Passage East visible to the east. This walk is moderate and can be enjoyed by all ages. Well worth exploring, is the spectacular view to be seen from Cromwell's Rock and from this point, you can see the estuary in all its beauty looking south and the Wexford coastline to the east. Enjoy!

Please ask at reception for details of our onsite walks and look out for these signs.

Walks start outside our Golf Pro Shop and are clearly signposted from there.
