TRAINING & DEVELOPMENT

Grow & Climb

Our Grow programme is designed to help you take control of your career. Whether you're building new skills in your current role or preparing for your next step, Grow gives you the tools, support, and structured 6-month plan to achieve your goals. At Faithlegg, we're committed to nurturing talent and developing future leaders—one step at a time.

Mentor Programme

Our Climb Mentorship Programme supports growth through one-on-one guidance. Over six months, mentees receive guidance and career insights from experienced leaders, while mentors refine their coaching and leadership skills. Together, we grow.
