

# Accreditation

Faithlegg is proud to partner with Green Tourism, reinforcing our commitment to sustainable practices. Through this partnership, we are independently assessed against recognised environmental standards, helping us to maximise our positive environmental impact while continuing to deliver an exceptional guest experience.

# Achievements

We are proud to have achieved Green Meetings Gold certification for 2025, with an overall sustainability score of 85%. This recognition reflects our commitment to delivering events that create positive outcomes for people, places, and the planet, while maintaining a high-quality delegate experience. Strong performance across engagement, wellbeing, travel, and environmental management demonstrates our ongoing focus on responsible and sustainable event delivery.
